

LASER WORLD MASTERS TITLES 2008

Edogawa Gardens, Lunch at Caroline Bay Brasserie, Regional Art Gallery (all at East Gosford) followed by St Fiacre Distillery (Erina)

Friday, 22nd February 2008, 10-4.30pm

Bus leaves at 10 am from Trojan HQ, The Haven, Terrigal.

Enjoy a gentle stroll in a Japanese garden near the water at East Gosford. The garden was donated by Gosford City's sister city in Japan – Edogawa. Views from your lunch table in Caroline Bay Brasserie extend over the garden, in air-conditioning if it is a warm day, with a delicious lunch menu and a drink. Then wander into the Regional Art Gallery (in the same building as the Brasserie): peruse the current exhibition then find a quality souvenir of your time on the Central Coast in the Gallery's gift shop. As the group heads back to Terrigal, we will enjoy a mid afternoon break at a new distillery which produces local fruit liqueurs, accompanied by a native food tasting. You can also enjoy the gardens, which you may remember as "The Fragrant Garden".

As an *optional extra*, you are welcome to enjoy afternoon tea at St Fiacre's café.

Please tear off booking slip and return with payment by Wednesday 20th February to the Host Desk, Trojan HQ.
